Property Description

Don't miss your chance to rent a newly built home in the Skyborne community of Desert Hot Springs! This home has 3 very spacious bedrooms and 2 bathrooms. Walking into this home will leave you in awe with its open concept layout. The kitchen has plenty of counter space and has a large island which would be great to set up stools at. Featuring its very own laundry room that is big enough to do all your laundry needs such as folding clothes and ironing them if need be. The 2 car garage is completely finished and has an electric hot water heater. Last but not least there are solar panels to help keep that electricity bill down.
